## **Support the Kiwanis and Riley Hospital Partnership - Be Part of the Silent Auction and Gala**

The second annual 3 Wishes Gala to support the Indiana Kiwanis and Riley Hospital for Children early action for autism partnership will be held on Saturday, March 11th at the Renaissance North Hotel in Carmel, Indiana. The Gala begins with a reception and auction festivities at 6:30 pm followed by dinner and program at 7:30 pm. You won't want to miss this one! Tickets can be [purchased on-line](#) and are available now.

The accompanying silent auction was one of the highlights of last year's Gala. There was lively participation in on-line bidding for the month preceding the Gala. This year, the on-line silent auction will officially open at noon (EST) on Friday, February 10th. Get ready to bid on exciting packages and unique items.

**We need your help to make the silent auction even more successful than last year! We are looking for auction donations from Kiwanis clubs, Kiwanis members, and others. Specifically, we need the following: hotel/resort/timeshare stays, restaurant gift cards, admission tickets to attractions and museums, tickets to sporting events and musical performances, travel vouchers, and other experience and event-related items. Additional details regarding auction donations can be found [here](#).**

Auction donations can be forwarded to the Indiana District Office via [email](#) or mail at Indiana District Kiwanis, 3636 Woodview Trace, Suite 100, Indianapolis, IN 46268.

Watch your email for exciting updates about the Gala, including announcements of special guests and performances.

By the way...the 2017 Indiana District Mid-Year Conference is also being held on March 11th. You can make it a full Kiwanis day! [Registration for the conference is open now](#) and you can purchase a Gala ticket along with your conference registration.
