Please mark your calendars for this project on Saturday morning, 28 Oct at CASA.
2. The SMS Builders Club and SHS Key Club have begun planning for the 2017 Kiwanis Christmas Float. We'll need some Kiwanis volunteers to assist them. More details to come as they continue planning and schedule a work day. The theme of the parade is the "Sounds of the Season". The Kiwanis Christmas Float theme is "White Christmas". They're looking for some donated Christmas trees for the float and white lights.
3. Riley Children's Hospital "3 Wishes Project". There are now 12 hubs throughout the state of Indiana to assist in identification and treatment of children with early childhood development issues including autism. Material is now available to assist local family practice docs and pediatricians educate families and screen children to reduce the age of diagnosis.
