Program: Don Cooper introduced Juanita Lowry, owner and operator of The Sunshine House on the Square in Scottsburg for her presentation. Juanita thanked the Kiwanis for inviting her and for all the support they give to the Scott County Community. She explained her first quest for better health began with the book "Fit for Life", by Marilyn and Harvey Diamond. In 1990 she was in a car accident that totaled her car and was able to recover with conventional and alternative care. The alternative care involved deep muscle therapeutic massage, chiropractic adjustment, bio-feedback, Reiki, Yoga and Tia Chi. Juanita and LL Lowry opened the Sunshine house Health Food Store in October of 1991. She has certifications in Iridology and Kinesiology from Trinity Health Practitioner's School. She has several certifications in Herbology from Nature's Sunshine and Miesee's Natural Health Center. Juanita belongs to the National Products Association and the Regional MAHO Association. She has attended conventions and seminars on health and wellness for several years. Juanita gave a few demonstrations of Shiatsu and Reiki and also gave reference to some of her favorite books: *Prescription for Nutritional Healing*, *Little Herb Book Encyclopedia*, and *Eat 4 Your Type*. The Sunshine House has held many seminars on health and wellness and hosted herb walks, etc. over the past few years. The Kiwanis thanked Juanita for her presentation and for providing this service to the community.

Service Project: None

Old Business:

1. We need to find a candidate to run for President Elect. Please let Al Riggle know if you have a nominee or would like to be a candidate. Elections will be held in April for President Elect and three Directors.
2. The Club Assessment Survey results are being reviewed and a report to the club on the results will be prepared. Thanks to all those who participated.
3. Vision Screening Project will be conducted at SHS on 16 Mar. Volunteers will need to be at SHS by 8:15. We will start the screening at 8:30 and should be done by noon. We will screen approximately 190 10th grade students at SHS. Bill Jerrow, Kiwanis International mailed ten vouchers to assist the students obtain frames and lens. Kids First donated \$2,000 toward covering the needed lens and frames for the kids who don't have vision insurance. Met with Steve Meyer, Scottsburg Lions Club and Heather Crites to plan the screening project. The

Lions Club will provide vouchers they have for Lens Crafters in Clarksville to assist the kids.

4. Spaghetti dinner coming up on 15 Mar at the Scottsburg United Methodist Church. Signs will be put out beginning 11 Mar. Stacie Skinner (C3BB) developed a flyer we can use at the “3 Wishes Program” presentation and for advertising in various mediums for the spaghetti dinner. The Chamber, corporate member, and Visitors Commission, corporate member, made copies. Bunny South had the tickets printed. Tickets have been distributed. Volunteers should contact Chris Wakeman. The SHS Key Club and SMS Builders Club will sell baked goods for dessert to raise money for their donation to Riley. See Al Riggle if you need more tickets to sell. Please support this project as it will help provide education, screening kits for autism, and treatment support for children with early childhood development issues throughout the state of Indiana. With the support of the Indiana District of Kiwanis, twelve hubs have been established throughout the state to provide support for communities and kids. The establishment of these hubs places one within 45 miles of every child in Indiana.
