THE RACE IS ON IN INDIANA!

Greetings from 2017-18 Indiana Kiwanis Governor Steve Ingram

April News

Dear Hoosier Kiwanians,

April is our SLP contest month! Please email the Indiana District office (indkiw@indkiw.org) when you visit a K-Kids, Builders Club, Key Club, Circle K or Aktion Club. We would love to have a photo included in your e-mail (not required) that identifies which SLP event you attended. The drawing will take place May 1, and the prize will be a fun piece of Kiwanis gear.

I have started some early conversations with Habitat for Humanity, about the possibility of doing a state-wide build in 2019. The thought is we could have an "Indiana Kiwanis Service Day" and that four to five Divisions could each build a Habitat for Humanity Home. If your Club or Division would have an interest in possibility pursuing a Habitat Build, please drop me a note at steve@indkiw.org.

We will be finalizing details for the Indiana District Convention soon, so stand by.

KeyLeader has been confirmed for November 2-4 at Camp Tecumseh. We are excited to announce that past International President Jane Erickson will be our facilitator. KeyLeader is our leadership weekend for high school kids. KeyLeader can have a life changing impact for some of the attending students. If your club decides to donate, it helps to subsidize the camp and make it an affordable weekend for the students. Any amount your club can send

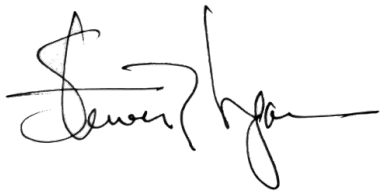

will be put to good use.

We are still fulfilling our pledge to Maternal Neonatal Tetanus (MNT), so please be generous as we finish up the Eliminate campaign. We are down to our last 14 countries to immunize.

We have begun our Centennial Celebration of partnering with Riley Children's Hospital, the longest partnership they have. We are in our third year of our four-year pledge to Riley Children's Hospital for The 3 Wishes Campaign. If your club donates before September 30, we have a special banner patch this year to help commemorate.

We Build.

Your 2017-18 Governor,

MAILING ADDRESSES FOR CLUB CHECKS

Wondering where to mail your club checks for things like the 3 Wishes Campaign, the Kiwanis Indiana Foundation Scholarship Program, ELIMINATE Project contributions, and more?

Look no further.
